

DesignSuite

Identity, judgment, resilience, and decision clarity. DesignSuite helps you understand how you're wired before you build on guesses — and to see your wiring as a gift, not a limitation.

START HERE — THE THREE CORE ASSESSMENTS

Wiring for Impact

19 QUESTIONS · 5–7 MIN · THE ENTRY POINT

Maps the nine wiring gifts — how you naturally create value. Foundational to every other tool, so every new user begins here.

Orientation for Impact

12 QUESTIONS

Maps your orientation across five types — how you approach problems, people, and plans.

Rejection Gift Finder

12 QUESTIONS · AT YOUR PACE

A gentle, consent-based process that turns a specific setback into a named advantage. Skip anything, anytime.

WHAT YOUR PROFILE GIVES YOU

Pattern, not echo

Real synthesis: primary and secondary wiring, strengths, and growth edges — never your answers repeated back.

A clear next step

One personalized recommendation based on why you came, plus optional paths — never auto-navigation.

Fuel for what's next

Wiring insights sharpen Career Navigator: alignment, resume positioning, interviews, and LinkedIn presence.

“Understand how you're wired before you build on guesses.”
